

# Feliz Navidad

A macaronic Christmas song written in 1970 by the Puerto Rican singer-songwriter José Feliciano. With its simple Spanish chorus, the traditional Christmas/New Year greeting, "Feliz Navidad, próspero año y felicidad" meaning "Merry Christmas, a prosperous year and happiness" and equally simple English verse "I wanna wish you a Merry Christmas from the bottom of my heart", it has become a classic Christmas pop song.

G            Am    D7                            G                            C  
Feliz Navidad,            Feliz Navidad, Feliz Navidad,  
                    D7                            G  
Prospero año y feli-ci-dad  
G            Am    D7                            G                            C  
Feliz Navidad,            Feliz Navidad, Feliz Navidad,  
                    D7                            G  
Prospero año y feli-ci-dad

## Men:

G    C  
I want to wish you a Merry Christmas,  
D7    G  
with lots of presents to make you happy  
    C  
I want to wish you a Merry Christmas,  
    D7    G  
From the bottom of my heart.

Feliz Navidad . . .

## Women:
