

The Cat Came Back

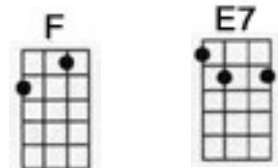

Am G F E7 - 2 chords per bar

Mr. Johnson had some troubles of his own
He had a yellow cat that wouldn't leave his home
He tried and tried to give the cat away
He gave it to a man going far far away

Chorus

But the cat came back the very next day
The cat came back we thought he was a goner
But the cat came back he just couldn't stay
Away, away away away

He gave it to a farmer said he'd take it to a farm
The farmer drove the tractor with the cat under his arm
He dropped it in a corn field thought it'd surely get lost
But the cat ate up the cornfield at the farmer's cost

Chorus

He gave it to a trucker that was going to Mexico
The trucker stopped for coffee and a trucker's stop and go
While he was a paying he knew that he was stuck
He saw the cat jump in his cab and take off with his truck

Alternate Chords

F – 5558 E7 - 4445

Chorus

He gave it to a pilot with a real nice plane
The pilot could just fly it far away in one day
But the pilot had his troubles he couldn't touch down
The cat had the controls and made the pilot turn around

Chorus

The cat was taken in by a lovely little girl
She loved the yellow cat she made that cat her world
Now there's no reason for that cat to come back
Cause it never has to leave and it likes it like that
